### NEW NOR/SI 2.8.4

Rule 44.2 is changed to read:

“After getting well clear of other kiteboards as soon after the incident as possible, a kiteboard takes a One-Turn Penalty by promptly making one turn with her APPENDAGE in the water. The turn shall include one completed tack and one completed gybe.

Forward motion shall be established between the tack and the gybe (or vice versa) with the competitor on the correct side of the hull in normal sailing position. When a kiteboard takes the penalty at or near the finishing line, she shall sail completely to the course side of the line before finishing.”
